

Invitation Letter of 4th China Aerospace Manufacturing Summit

I'm Dianman GUO, Chairman and General Manager of China AVIC Harbin Aircraft Manufacturing Corporation.

It's my great honor to inform you that the "4th China Aerospace Manufacturing Summit" will be held in "China AVIC Harbin Aircraft Manufacturing Corporation" on 9th & 11th January 2013. In four year history of Summit, there are more than 734 attendees joining the conference, exhibition, technology course and academic site tour.

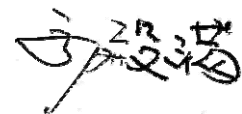

The summit is based on research of developing status of China Civil Aerospace Manufacturing Industry as usual and combine with introductions to production readiness of State Key Aircraft Projects as C919、MA700、General Aviation Projects (Z Series Helicopter, C Series Helicopter, Business JET).

The summit is initiated by Five Provincial Aeronautic Societies as Heilongjiang, Liaoning, Sichuan, Shan xi, Jiang xi and has the full backing of "China association for Science and Technology", "COMAC Magazine", "Association of Science & Technology of Heilongjiang Province" and "Industry and Information Commission of Heilongjiang Province ". In addition, President Unit of "Heilongjiang Provincial Society of Aeronautic and Astronautic" as "Harbin Aircraft Manufacturing Corporation" will fully supports the summit with technical guidance.

I have already assembled an impressive faculty of speakers and panelists, featuring many of the key decision - makers in the aerospace manufacturing sector of China and the globe as a whole.

The "4th China Aerospace Manufacturing Summit" will meet your needs and prove to be your most productive time out of the office in coming year.

郭殿满

Heilongjiang Provincial Society of Aeronautic and Astronautic, Chairman

Harbin Aircraft Manufacturing Corporation Chairman, General Manager
